Dear Applicant

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that, as indicated in your application, you are a private foundation within the meaning of section 509(a) of the Code. In this letter, we are not determining whether you are an operating foundation as defined in section 4942(j)(3).

If your sources of support, or your purposes, char r, or method of operation change, please let us know so we can consider effect of the change on your exempt status and foundation status. In case of an amendment to your organizational document or bylaws, please s us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to excise taxes under Chapter 42 of the Code. You also may be subject to other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in Code section 170. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

You are required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, up to a maximum of $5,000, for each return filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under Code section 511. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in Code section 513.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If the heading indicates that a caveat applies, the caveat below or on the enclosure is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely your

Eugene D. Alexander

Eugene D. Alexander
District Director

Please note that the employer identification number listed in the heading of this letter has been assigned for initial processing purposes only and should not be used for any future filings. The Internal Revenue Service Center will furnish you with a correct number which should be used in all future filings.

We considered your grant-making procedures under section 4945(g) of the Code. Based on the information submitted and assuming your scholarship program will be conducted as proposed with objectivity and nondiscrimination in the awarding of grants, we determined that your procedures in awarding scholarship grants comply with the requirements of section 4945(g)(1), and that scholarships granted according to these procedures will not be "taxable expenditures" within the meaning of section 4945(d)(3). In addition, we determined that grants made under your procedures are excludable from the gross income of the recipients under section 117 of the Code.

This determination is conditioned on the understanding that there will be no material change in the facts upon which it is based. It is further conditioned on the premise that no grants will be awarded to the trust's creators, trustees, or members of the selection committee, for a purpose that is inconsistent with the purposes described in section 170(c)(2)(B) of the Code.

The approval of your grant-making procedures is a one-time approval of your system of standards and procedures that will result in grants that meet the requirements of section 4945(g)(1) of the Code.

Thus, approval will apply to succeeding grant programs as long as the standards and procedures under which they are conducted do not differ materially from those described in your request.

Any funds you distribute to individuals must be made on a charitable basis in furtherance of the purposes for which you are organized. Therefore, you should maintain adequate records and case histories so that any or all grant distributions can be substantiated upon request by the Internal Revenue Service.

Dear Applicant

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that, as indicated in your application, you are a private foundation within the meaning of section 509(a) of the Code. In this letter, we are not determining whether you are an operating foundation as defined in section 4942(j)(3).

If your sources of support, or your purposes, char r, or method of operation change, please let us know so we can consider e effect of the change on your exempt status and foundation status. In case of an amendment to your organizational document or bylaws, please s l us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to ex se taxes under Chapter 42 of the Code. You also may be subject to other Fed al excise taxes. If you have any questions about excise, employment, or other ederal taxes, please let us know.

Donors may deduct contributions to you as provided i Code section 170. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

You are required to file F rm 990-PF, Return of Pri e Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, up t a maximum of $5,000, for each return filed late, unless there is reasonable cau e for the delay.

Let : 1678420087

THE DONALD J TRUMP FOUNDATION INC

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under Code section 511. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in Code section 513.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If the heading indicates that a caveat applies, the caveat below or on the enclosure is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely your

Eugene D. Alexander

Eugene D. Alexander
District Director

Please note that the employer identification number listed in the heading of this letter has been assigned for initial processing purposes only and should not be used for any future filings. The Internal Revenue Service Center will furnish you with a correct number which should be used in all future filings.

We considered your grant-making procedures under section 4945(g) of the Code. Based on the information submitted and assuming your scholarship program will be conducted as proposed with objectivity and nondiscrimination in the awarding of grants, we determined that your procedures in awarding scholarship grants comply with the requirements of section 4945(g)(1), and that scholarships granted according to these procedures will not be "taxable expenditures" within the meaning of section 4945(d)(3). In addition, we determined that grants made under your procedures are excludable from the gross income of the recipients under section 117 of the Code.

This determination is conditioned on the understanding that there will be no material change in the facts upon which it is based. It is further conditioned on the premise that no grants will be awarded to the trust's creators, trustees, or members of the selection committee, for a purpose that is inconsistent with the purposes described in section 170(c)(2)(B) of the Code.

The approval of your grant-making procedures is a one-time approval of your system of standards and procedures that will result in grants that meet the requirements of section 4945(g)(1) of the Code.

Thus, approval will apply to succeeding grant programs as long as the standards and procedures under which they are conducted do not differ materially from those described in your request.

Any funds you distribute to individuals must be made on a charitable basis in furtherance of the purposes for which you are organized. Therefore, you should maintain adequate records and case histories so that any or all grant distributions can be substantiated upon request by the Internal Revenue Service.
